JULY DATES

Monday - Friday • 9:00am - 2:00pm

Week Five: July 1, 2, 3 & 5, 2019

Week Six: July 8 - 12, 2019

Students may attend one week or any number of consecutive weeks. Lunch will be provided.

The pattern-based curriculum includes:

- Social skills development
- Sensory motor integration skills training
- Educational/learning skills
- Study skills/adaptive classroom behavior
- Activity/recreational therapy

- The program was designed by parents, care-givers, and clinical professionals.
- The goal is to develop and maintain continuity in students developmental and behavioral skills throughout the summer.
- The program will be led by licensed and trained therapists, certified special education teachers and certified activities in a safe, supportive environment.

This is an intensive outpatient program and most insurance is accepted, based upon medical necessity. Self-payment arrangements can be made.
